DETAILED ACTION

Response to Arguments

Applicant's arguments, filed 10/16/06, with respect to claims 1-28 have been fully considered and are persuasive. The rejections of claims 1-28 have been withdrawn.

Allowable Subject Matter

Claims 1-28 are allowed.

The following is an examiner's statement of reasons for allowance:

In regards to claims 1, 6, 11 and 23, the prior art does not teach an obvious combination of references that discloses retaining the independent data in the spooler even after despooling the independent data.

Claims 2-5, 7-10, 12-22 and 24-28 are allowed because they depend upon allowed claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
